Re: Natural Status of Sugar

This memo is in response to requests for reviews of all raw materials.

The purpose of the review is to verify that those items labeled Natural meet the definition of Natural as specified in 21 CFR 101.22.

While United Sugar Producers and Refiners (United) products may or may not be labeled as Natural, the products do conform to the definition in paragraph 3 the term natural flavor or natural flavoring ... where part 184 is mentioned. Sucrose is listed in part 184.1854 and is accordingly Natural.

Please call or write if you have any questions or concerns. United Producers and Refiners is committed to continued service to our valued customers.
