INGREDIENTS: SUGAR.

Information is based on USDA National Nutrient Database for Standard Reference Release 28, Item 19335 (Sugars, granulated)

Single ingredient sugars, such as granulated sugar, are not required to declare 'includes Xg Added Sugars' on the label. Packages of single ingredient sugar must include the percent daily value of added sugar.

When used in a product containing two or more ingredients, the amount of total sugars in the product contributed by the granulated sugar shall be declared as added sugar.
