Re: Biennial Re-Registration of Food Facilities under the Food Safety Modernization Act

Dear Valued Customer:

This note is to confirm that all United Sugar Producers and Refiners (USPR) member plants, USPR-owned or operated site, and contracted transloading or liquid manufacturing sites have completed the required biennial re-registration with the Food and Drug Administration (FDA) under the provisions mandated by Food Safety Modernization Act of 2011.

All plants have received confirmation from the FDA and have received registration numbers.

Please note that FDA inspection-related records are confidential and shall not be distributed externally; such records may be reviewed during an on-site audit.
